WHO IS POLYGRO?

'Polygro' is a newly established company trading as a NSW distributor for Polyfabrics Australia Pty Ltd.

Polyfabrics started in 1991 with the sole purpose of sourcing and distributing polypropylene and polyester woven and non-woven fabrics to the Australian market-place.

Technical expertise coupled with in-house design assistance quickly saw the rapid growth of Polyfabrics to one of Australia's major distributors to the civil & mining sectors.

Polyfabrics recruited Ms Lorraine Arnold following BP Amoco closure, to continue in her role as Horticultural Product Manager with the aim to offer the same quality and service to the agricultural and horticultural sectors.

Some of our rapidly expanding range are:

- * WeedStop weedmats,
- * Weedmat pins

'Polygro' Head Office in Sydney, Australia

- * WindBreak
- * BirdStop Anti Birdnet *
- HailStop Hailnet *
- Mulch Mat *
- Frost Protection *
- Jute Mat & Jute Mesh *
- SunStop Shadecloth *
- Tree Guards *
- Bamboo Stakes *
- Hardwood Stakes
- * Accessories

Generally our products are imported from

Europe and where possible locally, as consistency in product quality is paramount.

We pride ourselves on quality products, customer service, reliable stock control, on time deliveries & long term relationships with our customers. Polygro is also committed to sourcing new innovative products for our industry. If you are looking for something specific—ask us!!!

WELCOME TO POLYGRO WEBSITE

"Welcome to you all."

At last our website is up & running! Hooray!

All at Polygro are excited about exchanging ideas and and sharing in our successes. We would therefore appreciate any photos or articles regarding the use of any products you have purchased through Polygro. You may even have some questions , great discoveries or need assistance with your particular product or application.

As Product Manager I will be sharing some ideas and giving helpful hints regarding the use of Poygro's product range.

Our range of products has been expanding rapidly over the last twelve months so please make yourself familiar with all that is available from our "One Stop Shop" .

We are totally dedicated to assisting our growers in Australia. We will be making regular field trips to meet our customers, see your farms & discover other products we may be able to source for you.

Thank you for your continued business and support and once again welcome to:
